**Clinical Intern, Master's Level** **Aug. 2007 – May 2008**  
Family Shelter Service, Wheaton, Illinois

Provided individual counseling to adult and juvenile victims of domestic violence; co-facilitated weekly psychoeducational program designed to acculturate women who have experienced abuse to the language and dynamics of interpersonal abuse; co-facilitated children

and adolescent process groups; conducted intakes, semi-structured interviews, and provided information and telephone counseling services through weekly 3-hour DV Hotline shift; taught specific agency orientation workshops to incoming interns as requested.

---

## RESEARCH EXPERIENCE

### **Research Team Member**

**Aug. 2010 – Present**

Catastrophe, Spirituality, and Trauma Research Lab: Clergy Abuse and Spirituality.

Member of a research team studying connections between experiences of clergy sexual abuse and survivors' personal and spiritual development and related issues. Currently involved in literature review and future research design.

### **Research Team Member**

**Aug. 2010 – Present**

Catastrophe, Spirituality, and Trauma Research Lab: Human Trafficking and Spirituality. Member of a research team exploring human trafficking and factors associated with resiliency, restoration, and healing for survivors of sexual exploitation. Currently involved in literature review, identification of current best practices, and future research design.

### **Research Team Member**

**April 2009 – March 2010**

Bereavement & Resiliency Research Group: Member of research team studying experiences of bereavement and facets of resiliency. Research focus included individual and communal uses of spirituality in adaptive grieving processes.

### **Co-Research Designer, Pilot Study**

**Sept. 2007 – Dec. 2009**

With a colleague, constructed a therapeutic model to stimulate personal and professional growth for Therapists-in-Training through the use of peer collaboration within a structured, creativity-driven format. Under faculty supervision, designed and implemented Pilot Study using the proposed model and reported on results.

---

## TEACHING EXPERIENCE

### **Teaching Assistant, Wheaton College**

**Jan. 2008 – May 2009**

Group Therapy: Developed experiential in-class activities related to course curriculum, graded students' weekly papers, lectured on course topics as requested, consulted with students regarding therapeutic processes and coursework.

### **Group Leader, Wheaton College**

**Mar. 2008 – May 2008**

Psychological Assessment: Supervised group of M.A. students with class requirements for administration, scoring, and interpretation of personality tests. Provided feedback and provided direction related to students' interviewing skills, hypothesis testing, and protocol analysis.

---

## PRESENTATIONS

### **Invited Lecture, Wheaton College Counseling Center**

**November 2009**

Domestic Violence Counseling: Issues and Practices

Provided training session for Wheaton College Counseling Center staff and student externs regarding therapeutic issues, practices, and procedures for working with individuals who have experienced or who are currently experiencing physical, emotional or spiritual abuse and/or power-and-control dynamics within the context of a significant interpersonal relationship.

**Invited Lecture, Wheaton College**

**October 2009**

Ethics and Professional Issues (Psy.D. level) and Issues in Professional Practice (M.A. level): Prepared and delivered graduate level presentation on ethical considerations and issues unique to clinical work with women who have experienced interpersonal violence/domestic abuse in past or current intimate relationships.

**Breakout Session, Christian Assoc. for Psychological Studies (CAPS) April 2008**

Patten, G., M.A., Hayden, K.M., M.A. & Watson, T., Psy.D. (2008). Pilot study: *A Collaborative and Creativity Driven Model to Stimulate Personal Growth for Therapists in Training*. Conducted a 1-hour presentation which presented and discussed findings from a pilot study designed to assess the professional and personal developmental gains acquired by therapists in training after participating in a collaborative, expressive therapy group.

**Invited Lecture, Wheaton College**

**February 2008**

Social, Cultural, and Spiritual Foundations of Mental Health II: Prepared and delivered Graduate level lecture on the value and use of expressive therapeutic modalities as a form of professional and personal development for therapists in training.
